MEMBERS CODE OF CONDUCT

Maintain good personal hygiene

Good hygiene shows respect for others, helps to ensure everyone's personal health, and creates a positive, courteous environment. Uniforms should be clean and neat. Keep your fingernails and toenails trimmed.

No jewellery

Please remove all jewellery when training. This is for the safety of yourself and fellow students in the class.

Be courteous, respectful, professional

Maintain courtesy and professionalism when dealing with any person within the academy. Conduct yourself in a formal, respectful manner at all times when in the Dojo. Unnecessary roughness, crude language, or display of ill-temper is forbidden.

Always train safely

We always strive to train in a manner that is safe and prevents injury. The best way to do that is to be cooperative and respectful to those around you. As well, if you have a physical condition that limits your ability to perform certain techniques, please let the instructor know.

No unnecessary contact

Students are to be careful not to make contact through neglect or carelessness. Contact due to carelessness is a serious offence.

No drugs or alcohol

No one under the influence alcohol or a prohibited substance may train or will be allowed to enter the training hall / dojo.

Bullying

Bullying is regarded as the repeated oppression, psychological and / or physical, of a less powerful person by another person or group of persons. We consider all forms of bullying as an inappropriate behaviour and will take all allegations seriously.

Represent your club

Always conduct yourself in a manner befitting your art and your club. Refrain from making critical comments about other styles, students or instructors.

ACADEMY CODE OF CONDUCT

Beliefs

A person is entitled to pursue their own beliefs and standards without undue disruption and interference from others. These differences may arise through religion, personal values, gender or ethnicity. Instructors will be respectful, understanding and accommodating of these matters.

Care of Children

Parents entrust their children with our club, and Instructors and students must live up to that trust by ensuring that all behaviour towards children is entirely appropriate. By their nature children will view their *Sensei* as a leader and a person to be respected and in turn an Instructor will have earned this respect by the way the Instructor conducts himself or herself.

Sexual Harassment

Any form of sexual harassment is totally unacceptable. Sexual harassment can take the form of verbal comments concerning appearance, private life or other issues. It can take the form of unwanted physical contact, adult humour, double entendre etc. Although we do not seek to encroach on the normal social interplay between people, we must show respect for your fellow participants, and any form of sexual harassment runs completely counter to this and will not be tolerated.

Equal Opportunity

We will not tolerate discrimination against any person on the basis of gender, sexual orientation, ethnicity, age, physical or mental handicap. At the same time our Instructors will be mindful of unique personal situations or medical conditions that may affect the safety and well being of other students. Any concerns of this nature are to be dealt with sensitively and reported to the Instructor at the earliest opportunity.
